DESIGNED FOR QUICK ACCESS TO IMPORTANT INFORMATION

New additions to Directories are “**GRAND NATIONAL**” and “**LEADER BOARD**” while access to **DATABASE** is via Icon or Directory.

A lot of effort is put into SHC website to ensure it is kept up to date. While we love our news on Facebook it is important to visit the SHC website regularly for the latest on Rules & changes.

A common problem has emerged that when this type of information is sourced via google search, old information surfaces & is being relied upon with unforeseen consequences; members are reminded ignorance is not a Defence.

The Data Base is a work in progress with recent adjustment the Handler **MUST** be nominated for Leading Rein & Tiny Tots Classes. Help is always on hand if encounter difficulties.

Be aware that in order to compete either as a Rider or a Handler, the member **MUST** hold an Active Membership. Should it be found that a Non Active member has competed then the Entry would be disqualified & any award forfeited.

The Definition as attached to Member Fee Schedule is:

Category 3 Non-Rider/Non-Competitor Membership is for the applicant who **DOES NOT** ride a horse at **ANY** time, either for pleasure, exercise or training & **DOES NOT COMPETE** as a rider or handler of a horse in **ANY** competition or event.

24/7 Personal Accident cover is a benefit for Active memberships that does not extend to Non Active members. Risk Management is vital in our Sport; our active members have the security of knowing if an accident occurs they have cover under the SHC Policy. An Active membership may be taken out if the member wishes to have that level of cover even if are not an exhibitor.

SHOW HORSE COUNCIL OF AUSTRALASIA

REPORT FROM NSH REGISTRAR

IMPORTANT: From 1st October 2017 payment of a priority administration fee of \$50 to be added to each NSH Registration application lodged a minimum of 7 days prior to & up to the closing date of a GN Qualifier.

MEASURING & THE SHOW HORSE COUNCIL DATABASE

Most current measuring records are now attached to each horse's Stud Book record in the Show Horse Council Database, and Affiliates conducting shows via the Show Module are able to request a report of all horses entered & their current height measurement. Affiliates forward information on measuring after each event/measuring day, and the Registrar ensures that this information is attached to the relevant Stud Book records.

Current financial members are able to access measuring details by using the "Search Stud Book" option in the Main Menu and finding the horse's record. If a measure has been entered the height, date measured & expiry date are displayed in the "profile" section for the horse.

If an error has inadvertently been made, or a horse holds a current height measurement that is not showing on their Stud Book record – please email a copy of the measuring card to Roseanne at the Show Horse Council Office and she will make sure that the records are amended.

SHOW HORSE COUNCIL OF AUSTRALASIA

HORSE OF THE YEAR REPORT 2017

The Show Horse Council has just conducted 3 very big days of Events. Classes were strong in number and very strong in the quality of competition. To come home with a TOP TEN from HOTY is a wonderful achievement against some of the best Horses & Riders in NSW with over 500 entries in all sections. Special congratulations to all the Champions & Reserve Champions who gained GN Qualification and to all who competed the beautifully turned out combinations.

Thank you to our lovely lady judges- Michelle Labahn, Lisa McMaster, Courtney Midson & Toni Harper- Purcell for giving up your time to Judge at our event, I am sure you had some very difficult decisions to make. To the SHC officials, I am very grateful to you all for your assistance to make this Show come together, and run smoothly over the course of the event.

The Council in 2017 welcomed a new major sponsor- WADE EQUINE COACHES, who displayed a pretty special equine coach for our members to look over. The Council considers itself very fortunate to have many loyal sponsors, and is very grateful for their support: Wade Equine Coaches, Westlake Stud, Champion Tails, Rafferty Horse Rugs, Steve A McClintock Pty Ltd, Dural Stockfeeds, SJM Equine, Highcroft Stud, Agnes Banks Equine Clinic, CBC Constructions, Harvey Family, Edinburg Rugs, Emmas Website, Walfam Investments, Acacia Motor Lodge, AC Warren Farriers, The Douglas Family QLD, Equissentials, Bare Equestrian, J & R Equestrian, Berle Family, The Rug Rack, Glenwood Building, Makayla Pony Stud, John Hall Lawyers, Delmara Park, O'Connor Family, Fowler Family, Mr Tim Hadlow, IRide Equestrian Apparel, Monarra Park Shetlands, the 11 NSW SHC clubs from all over the state, the Trade stands who attended and donated products for us to use as prizes.

We hope all of our members had an enjoyable weekend at the 2017 WADE NSW HORSE OF THE YEAR- and look forward to seeing you all again, with a big few months early in the New Year.

Judges: Michelle Labahn, Lisa McMaster, Courtney Midson & Toni Harper- Purcell
