**FINISH**      **START**

## KEY

- Trot
- Extended
- Trot
- Canter
- Extended
- Canter

Enter at trot and track right, continue down the long side and across the top on the left rein. Change rein across the diagonal showing some extended trot and continue along the short side on the right rein. Half way along the short side pick up canter on the right rein and continue down the long side and across the top. Change rein (optional) across the diagonal and continue across the short side on the left rein. Extended canter along the long side, come back to working exit at trot down the centre line.
